

Tonawanda Housing Authority Newsletter

Spring 2020

- City of Tonawanda Summer Seasonal applications available from the Civil Service department at City Hall beginning January 2, 2020. Applications are also available in the THA office during regular business hours.
- Previous Newsletters can be found at our website www.tonha.org
- Board Meetings are 4th Tuesday every month (except December). Board Meeting dates are also posted on our website www.tonha.org
- Do you have an interest in help create a Garden Club at THA? Call the Office or send us an email Office@tonha.org if you have an interest. We had some success with a small Community Garden this past year over near the Seniors Building and are looking to see if there is a greater interest around the property.
- If you have in interest in helping to establish “Little Libraries” around the THA property, please drop an email in our Office@tonha.org address and we will be in touch. THA will provide the “little Library’s” at no cost to the Tenants.
- 2020 Annual Apartment inspections have begun. During Covid-19 precautions, we will conduct exterior inspections until we are able to relax Social Distance procedures. Schedules will be provided to the buildings approximately 1 week in advance of your inspection.
- Please review the 2020 THA Grass Cutting Operations guidelines and safety tips. Please go inside your apartment when grass cutting is in your vicinity. If a mower operator sees you in his operating area, he will shut his mower down and could ask you to please remove yourself from that area until he is finished.
- **Reminder – THA does NOT allow pools of any kind or size. Please do not attempt to use something other than a pool AS a pool. Due to liability insurance costs, pools, jungle gyms, slides, playhouses etc are prohibited on the THA property. These items will be an item we will be looking for during our exterior inspections this year.**
- The THA Office and Maintenance Department are working every week day. Though the Lobby door is locked to ensure social distancing, we are available to our Tenants and applicants in a somewhat “new” normal via phone during regular business hours.

Stay Safe. Be kind to each other in these very trying times.

Thank you
